

Get Your Storage Strategy On Course — and Receive a Handheld GPS

Just as a GPS gets you to the right place quickly and efficiently, Incentra Solutions helps companies like yours get their storage strategy on course.

We'd like to schedule a one hour, no-obligation consultation about new approaches to enhance your storage infrastructure. As a thank you, we'll give you a complimentary Lowrance, iWay Handheld Multimedia GPS.

Reduce Storage Costs, Improve Performance

Our award-winning personnel have teamed with Hitachi Data Systems to map out best-in-class storage solutions.

This no-obligation consultation will benefit qualified IT personnel who want to:

- Manage storage costs while ensuring scalability, reliability, and flexibility
- Implement best practices in data classification and protection policies
- Build a first storage network or extend an existing one
- Leverage for SMB applications or enterprise tiered storage deployments

How to Get Your Complimentary GPS

The Handheld GPS is only available to the first 10 qualified people who make appointments, so call today to schedule your appointment and reserve your complimentary GPS.

CALL 425-576-2091

to schedule an appointment to receive your complimentary GPS.

Supplies are limited.
